

VANESSA ANGUIANO

OBJECTIVE

My objective is to obtain an internship that will make me grow and improve my work ethic as well as get involved with the community by helping fulfill one of its many needs.

EXPERIENCE

Teen Brain Health

- Researched about chosen teen brain health illness.
- Became an advocate for Teen brain health with the goal of reducing stigma by creating T-shirts with anti-stigma slogans.

Mi Escuelita | Internship 2017

- Interned for a Therapeutic preschool.
- Researched about all the multiple ways to teach children.
- Created a project for the kids, and explained the background behind the art.

The Power Within | HTHCV

2016/2017

- Where does your power come from? This is the question each student was given in order to write a story about something that impacted their life.

Model United Nations | HTHCV

2015/2016

- Model United Nations consisted of a mock conference.
- Each student participating in this conference was assigned a different country, all the countries worked together to come up with a realistic resolution for current world issue.
